

# ANNUAL REPORT

People look for many things from their Library, from great collections to a variety of services.

- Technology has changed libraries in many ways. The Marshall Co Public Library has strived to stay current for its patrons and the community.
- Programming for patrons of all ages!
- Outreach services with programming and Bookmobile service.
- Supporting the county communities through community partnerships.
- Each library (branches & bookmobile) provide current and popular collections in a variety of formats—books, audio, video, digital media, etc.

## There's Something for Everyone!

There's a wide variety of reasons to come to your Library — books, computers, databases, movies, audiobooks, music, genealogy, reference material, fax service, scan/email service, copy service, and programming for all ages. In addition, the Bookmobile will provide service to shut-ins in order to bring Library services to them.
