A SERVICE CONTRACT: This Plan is a service contract between you and us. The Plan protects you against major repair bills should a Vehicle component covered by the Plan fail due to defects in material or workmanship. This Plan is not insurance and is not part of the manufacturer's warranty. We are solely responsible (liable) for fulfillment of the provisions of the Plan.

Obligations of the provider under the Plan are backed by the full faith credit of the provider.

No Dealer, Dealer employee or our employee has the authority to modify or change any provision of this Plan. The express provisions of this Plan outline the sole benefits which we are obligated to provide; no other coverage is implied hereunder, and no coverage can be implied due to an oral or written misrepresentation, error or omission.

IMPORTANT! The maximum benefit amount should a covered component of the Vehicle fail will be THE TOTAL COST OF THE REPAIRS PER VISIT LESS THE DEDUCTIBLE, OR THE CASH VALUE OF THE VEHICLE, WHICHEVER IS LESS! The cash value of the Vehicle will be determined at the time of the covered repair and will be the average retail value as listed in the current NADA Used Car Pricing Guide. If at any time the repair costs for covered component(s) exceed the Vehicle's cash value, your final Plan benefit will be our payment of the Vehicle's cash value rather than the repair costs. Plan coverage and benefits will terminate automatically and immediately pursuant to this provision and we will have no further obligations of any kind in respect to the terminated Plan.

This issuance of this Plan, unless otherwise prohibited by law, shall not be deemed as a waiver of our right, or considered a restriction of our right to refuse to pay for service and/or to cancel the Plan should it subsequently be discovered that the vehicle for which the Plan was purchased was not eligible for Plan coverage.

NOTE: Place this Plan in your glove compartment or other secure place in the Vehicle. While your Vehicle is covered by this Plan, your Vehicle also may be covered by the manufacturer's warranty. For manufacturer's warranty coverage details, please refer to your warranty information booklet. **THIS PLAN DOES NOT COVER ANY REPAIRS OR SERVICES WHICH ARE COVERED BY THE MANUFACTURER'S WARRANTY.**

OBTAINING PLAN SERVICE: To obtain service under this Plan, you should return and present this contract to the Dealer who sold you the Plan. In the event you cannot return the Vehicle to the selling Dealer for service, you may request service from any Dealer within the United States, Canada, Guam, Puerto Rico or Mexico.

IMPORTANT! SERVICE OBTAINED FROM A PERSON OTHER THAN AN AUTHORIZED DEALER IS NOT REIMBURSABLE UNDER THIS PLAN UNLESS AUTHORIZED BY US AND YOU RECEIVE AN AUTHORIZATION NUMBER BEFORE THE SERVICE IS PERFORMED. DEALERS CANNOT AUTHORIZE REPAIRS UNDER THIS PLAN. Authorized repairs will be made using remanufactured parts. If remanufactured parts are not available, the Dealer will use new parts.

ELIGIBLE VEHICLES: FCA US Vehicles with an active 5/60 Powertrain Warranty or longer, including FIAT & Alfa Romeo vehicles covered by a 4 Year/50,000 Mile Basic Warranty, are eligible within 48 months of the in-service date and 48,000 miles (excluding vehicles that require synthetic oil, vehicles with a diesel engine, Cab/Chassis vehicles and Hybrid vehicles).

The Plan is not responsible for any refusal of a rental agency to rent a vehicle to you.

Total Rental Allowance per occurrence is a maximum of 5 days or \$175.00.

TAXI REIMBURSEMENT: Coverage starts on the date you purchase the Plan. The Plan provides up to a \$35.00 for taxi cab fare, in lieu of First Day Rental if the vehicle is to be serviced for any same day mechanical or maintenance service.

When a loaner car is not available, or you are not eligible for a rental car, the Plan will pay up to \$35.00 per day for taxi service, in lieu of car rental, any time mechanical repairs take overnight.

Taxi receipts must be from a licensed taxi service provider. Taxi charges in excess of the amount allowed by the Plan are your responsibility.

Total Rental/Taxi Service Allowance per occurrence is a maximum of 5 days or \$175.00.

ROAD HAZARD TIRE AND WHEEL PROTECTION*: Road Hazard Tire and Wheel Protection expires when the Plan expires. Additionally, the benefits for tire repair or replacement expire the earlier of (a) when the service contract term ends, (b) when four (4) tire replacement claims have been processed, or (c) when the four (4) tire's tread depth wears below 2/32 of an inch (4/32) of an inch for trucks/sport utility vehicles and (d) when four (4) wheel replacement claims have been processed.

COVERAGE UNDER THE ROAD HAZARD TIRE AND WHEEL PROTECTION PLAN:

WE RESERVE THE RIGHT TO INSPECT DAMAGED TIRES, WHEELS AND/OR TIRE PRESSURE MONITORING SENSORS IN AN ATTEMPT TO DETERMINE THE CAUSE OF DAMAGE.

When damage is caused to your tires and/or wheels due to a road hazard condition, that causes the tire or wheel to fail to hold air or can no longer be properly balanced, the following coverage is available.

- The Plan covers the repair of the tire or full replacement of flat tire if repair is not possible;
- Reimbursement to repair bent wheel damage is covered, and/or the cost to replace the wheel is covered provided the damaged wheel fails to seal with the tire, or it cannot be properly balanced;
- The Plan will pay the total cost associated with the repair or replacement of tires and/or wheels plus labor charges consisting of mounting, balancing, valve stems, and taxes to correct the tire and/or wheel damage caused by a road hazard condition;
- Like tires/wheels are used to replace the damaged tire/wheel using the current retail market value of the replaced tire/wheel;
- A road hazard condition is considered to be unavoidable deformities or cracks caused by unexpected materials found in normally traveled roadways such as chuckholes, potholes, jagged metal, curb, or glass;
- In the event an exact tire and/or wheel is not readily available from the manufacturer, we reserve the right to replace selective tires and/or wheels with "like new" reconditioned tires and/or wheels or equivalent in cash;
- Electronic tire pressure sensors damaged as a direct result of the road hazard.

COVERAGE IS LIMITED TO FOUR (4) TIRES (EXCLUDES SPARE TIRE) AND FOUR (4) WHEELS OVER THE TERM OF THE PLAN. MAXIMUM REIMBURSABLE AMOUNT IS \$1,500 PER YEAR.

NOTE: COSMETIC SURFACE SCRAPES, CHIPS OR SCRATCHES TO THE WHEEL THAT DO NOT IMPACT THE ABILITY OF THE WHEEL TO BE PROPERLY BALANCED OR TO HOLD AIR ARE NOT COVERED.

Eligible Tires and Wheels

- All eligible tires and wheels must meet the approved manufacturer's specification guidelines;
- All vehicle tires with a minimum of 2/32" tread depth (4/32 of an inch for trucks/sport utility vehicles) including replacement tires, during the term of the Plan;
- All vehicle wheels where the associated tire's remaining tread depth is 2/32" or greater or (4/32 or greater of an inch for trucks/sport utility vehicles);
- The program is intended to replace only the tire and/or wheel that is/are damaged. In the event the plan holder for any reason seeks to "Match" other tires on the vehicle, the remaining non-damaged tires that are replaced will be at the owner's expense.

HOW TO USE ROAD HAZARD TIRE AND WHEEL PROTECTION: All required tire replacement and wheel replacement services described previously can be provided by your selling dealer. To obtain service under this Plan, you should return and present this contract to the Dealer who sold you the Plan. In the event you cannot return the Vehicle to the selling Dealer for service, you may request service from any Dealer within the United States, Canada, Guam, Puerto Rico or Mexico.

In an emergency situation where you cannot request service from an authorized Dealer, you may proceed with repairs and submit a claim to our office. Your service contract will in these instances provide reimbursement of up to the authorized amount, provided that the claim contains: (A) A valid original receipt of payment from the repair facility for the services rendered (Claims which contain other than original receipts may be denied.); and (B) Your valid Service Contract number. Road Hazard Tire and Wheel Protection claims that meet requirements should be sent to:

OIL AND OIL FILTER CHANGES: The Plan provides for 12 oil and oil filter change(s). The Plan will pay up to \$25.00 for each oil/filter change and lube. Any dealer charges in excess of the amount allowed by the Plan are your responsibility. This service MUST be performed by a Dealer and used by the expiration date of the plan.

The Plan also provides for a vehicle inspection at the time of each oil and filter change service.

TIRE ROTATIONS: The Plan provides for 12 tire rotation services. The Plan will pay up to \$10.00 for each tire rotation service. Any dealer charges in excess of the amount allowed by the Plan are your responsibility. This service MUST be performed by a Dealer and used by the expiration date of the Plan.

YOUR ADDITIONAL RESPONSIBILITIES: It is your responsibility to properly operate, care for and maintain the Vehicle as prescribed in the owner's manual supplied by the manufacturer. If you fail to properly operate, care for and maintain the Vehicle as prescribed in the owner's manual supplied by the manufacturer, we may deny your claim under the Plan. You should retain all maintenance records and receipts to avoid any misunderstanding as to whether or not the maintenance services were performed as required.

We reserve the right to inspect the Vehicle, investigate circumstances relating to the requested repairs in any manner, or demand proof of maintenance BEFORE repairs may begin or are authorized.

DIAGNOSTIC CHARGES: You may be asked to authorize disassembly and/or diagnostics at the time your Vehicle repair order is written. Your Plan covers disassembly and/or diagnostic charges IF the cause of failure is a covered component under the terms of the Plan. If the repair is not covered by the Plan, you will be responsible for paying the disassembly and/or diagnostic charges and non-covered repairs.

GOVERNING LAW: Except where prohibited by law, this contract will be governed by Michigan law.
