WORLD HUNT

Annual event held in Hardin, Kenlake, KY. First Prize will be \$47,500, the largest of any kennel club. All guides and judges receive payment for their services, most locals to the area. Those who place #2-20 receive a payout, as well as each double cast winner. The entry to the event is Open, which means anyone with the means to pay the entry fee may enter and have a chance to win. We choose to have our event at Kenlake, due to the nostalgia associated with coon hunting, as well as the overwhelming support by the local clubs. Averaging 180 entries a night in 2016, the event brings in 1000's of extras to the area in the form of spectators, vendors, sight seers and more! The amount of traffic brought in has been affective to the area, so much that many business and eateries have begun opening early. The event receives support from the Kentucky Lake CVB due to proven success! We are extending the opportunity for you to participate as well.
