Dear County Attorney:

In accordance with the provisions of KRS 15.765, the Department for Local Government calculates, by the second Friday in February of each year, the maximum allowable annual compensation for the office of County Attorney.

The county attorney, although a county constitutional officer under section 99 of the Kentucky Constitution and KRS 69.210, has been given a statewide function in his prosecutorial role. KRS 15.765(3), in conjunction with section 246 of the Kentucky Constitution, provides for the indexing of the \$12,000 maximum base compensation for this office. This adjusted compensation level shall be the maximum allowable compensation for the county attorney regardless of what he/she receives from the fiscal court as county attorney, the county's civil advisor, and from the state as a state prosecutor. This point has been established as early as 1928 in Coleman v. Hurst, 226 Ky. 501, 11 S.W.2d 133. The court ruled that the constitutional limit of compensation for constitutional officers applies whether such services are rendered in one position or more than one position.

The calculation below presents the maximum allowable salary for this office in 2017, and represents an adjustment of the constitutionally mandated \$12,000 maximum compensation for this office. This adjustment is conducted according to the conventional application of the Consumer Price Index as adopted by the courts in Mathews v. Allen, KY, 360 S.W.2d 135 (1962), and results in a maximum allowable annual compensation of \$121,550.25 for the office of County Attorney for 2017. The percentage increase over the previous twelve-month period is 2.1%.

Dear Magistrates, County Commissioners, Justices of the Peace and County Coroners:

In accordance with the provisions of KRS 64.527, the Department for Local Government calculates, by the second Friday in February of each year, the maximum allowable annual compensation for County Magistrates, County Commissioners, Justices of the Peace and County Coroners.

The calculation below is the result of the conventional application of the Consumer Price Index as adopted by the courts in Mathews v. Allen, KY, 369 S.W.2d 135 (1962), and results in a maximum allowable annual compensation of \$72,930.15 for county constitutional officers in calendar 2017.

Under the prescribed formula, salary maximums set in the 1949 Amendment of Section 246 of Kentucky's Constitution, to be paid to constitutional officers, are adjusted to reflect the current purchasing power of the dollar. The adjustments are based upon the Consumer Price Index maintained and reported by the U.S. Department of Labor, Bureau of Labor Statistics. A news release issued by the Bureau establishes the Consumer Price Index, as of December 2016, at 723.224. The percentage increase over the previous twelve month period is 2.1%. The Consumer Price Index for 1949 was 71.4.

$$\text{CPI in 1949} = 71.4 \qquad \text{CPI in 2016} = 723.224$$

$$\frac{723.224}{71.4} = \frac{N}{\$7,200}$$

$$71.4 N = (723.224)(\$7,200)$$

$$N = \$72,930.15$$

The compensation amount generated by this computation reflects a maximum salary rather than a mandated salary.

If you have questions concerning these maximum salary levels, Robert Brown in the Office of Financial Management and Administration will welcome your call at (800) 346-5606.

Sincerely,

Sandra K. Dunahoo

Dear County Treasurer:

Please find enclosed, copies of materials recently mailed to county constitutional officers notifying them of maximum salary guidelines for the 2017 calendar year in accordance with KRS Chapter 64 and section 246 of the Kentucky Constitution.

These salary guidelines reflect adjustments to statutory maximums in order to maintain an equivalent purchasing power. The 2017 salary maximum for county commissioners, magistrates and coroners is \$72,930.15. The actual salary is determined by the action of the fiscal court but may not exceed the aforementioned maximum.

Salaries for the offices of County Judge-Executive, County Clerk, County Sheriff and County Jailer, as required by KRS 64.5275 (1998) are presented on the schedules enclosed. The increase from last year's maximum salaries is 2.1% percent for all official positions covered by this letter. Also, you will find salary information relative to your county attorney.

If you have questions about these materials, please feel free to contact Robert Brown at 800-346-5606.
