

**MEMORANDUM OF AGREEMENT**

WHEREAS, the Marshall County Fiscal Court (COUNTY) has experienced safety issues relating to a hill and intersection on Ridge Road affecting property adjoining said road acquired by Craig T. Turner by deed dated April 9, 2003, of record in Deed Book 341, page 278, Marshall County Court Clerk's Office; and;

WHEREAS, said issues create a sight problem for those travelling along said roadway; and;

WHEREAS, the County will be undertaking the following efforts to remedy these issues; and,

WHEREAS, the undersigned property owner has agreed to allow the County to undertake these efforts;

NOW THEREFORE, it is hereby agreed as follows:

(1) The County intends to conduct general excavation work which may include, but not necessarily be limited to, digging and/or moving dirt and soil, and the possible installation, if deemed necessary, of one or more culverts, the purpose of all of which is to alleviate the safety issues in the aforementioned area.

(2) The undersigned property owner acknowledges that the bank may be reshaped causing the driveway to have to be relocated and possibly installing a driveway culvert, and the property owner consents to the same.

(3) The undersigned property owner hereby consents for the County and its employees and/or agents to enter upon the aforementioned properties for purposes of performing the contemplated work described herein.

(4) Once completed, the County agrees to restore the aforementioned premises to as close to its prior condition as possible immediately before the work was undertaken, while still remedying the drainage issues contemplated herein.

Dated this the 29 day of MARCH, 2017.
