

Good Morning,

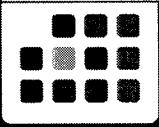

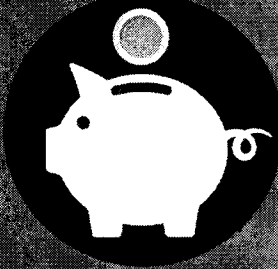

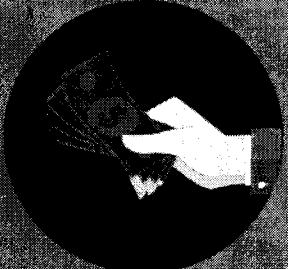

The Purchase Area Development District is sponsoring an upcoming workshop for Medicare beneficiaries on Tuesday, October 24th at the Marshall County Senior Citizens Center. Individuals may drop by the center from 11:30 AM until 2 PM to compare their prescription drug plans for an opportunity to save on its costs or find better coverage. This is a free service of the State Health Insurance Program, which is a part of the PADD's Area Agency on Aging and Independent Living.

As elected officials, PADD Board Members, and leaders in the community we wanted you to know about the upcoming event in your community. We encourage you to share the attached flyer or encourage a loved one to attend. They should bring their Medicare card, list of prescriptions (along with their frequency taken), and the name of their preferred pharmacy.

Should you have any questions, please contact Carissa Roberson, Coordinator for the State Health Insurance Program at 270-251-6165, she also is cc'd on this email.

Thanks!
