May 14, 2018

Ms. Vicki Boatright
Marshall County Conservation Board
107 W. 5th Street
Benton, KY 42025

Dear Ms. Boatright:

Mayfield Creek Forestry Consultant offers the following bid to spray your four levees. Each levee will be spot sprayed twice (first spraying from May 15 to June 15 and second spraying from July 15 to August 15). We will use a selective herbicide that will not harm grass and has an aquatic label.

Total bid – (four levees @ two sprayings) \$3,600

We are licensed commercial chemical applicators and carry \$1,000,000 in general liability insurance, \$2,000,000 in additional umbrella insurance and have workers compensation coverage.

We are still working with the following Conservation Boards on watershed lakes within their jurisdiction:

West Fork of Mayfield Creek Conservation Board
Obion Creek Watershed Board

In the meantime, please contact me if you have any question: 270-748-5143 (cell) or email at gadale@mayfieldcreek.com

Sincerely,

Greg A. Dale
General Manager
