

ORDINANCE 91 - 04

In accordance with the provisions mandated by KRS 224, the Marshall County Fiscal Court in conjunction with the Marshall County Garbage and Refuse Disposal District shall provide for universal collection of municipal solid waste in Marshall County.

The method of collection whereby each household or solid waste generator in Marshall County is assured equal access is the placement of solid waste collection boxes or "green box dumpsters" at numerous sites throughout the County for the convenience of county residents.

The solid waste collection boxes are funded by revenues generated within and/or allocated expressly to Marshall County. Accordingly it shall be unlawful for any person to deposit solid waste into said containers unless said waste is generated on property located within the boundaries of Marshall County.

Nothing in this ordinance shall restrict or void any previously enacted ordinances which pertain to solid waste collection boxes or "green box dumpsters".

This ordinance shall become effective upon publication by heading and summary after second reading and passage.
