Re: Resignation as Parks Superintendent

Dear Judge Neal,

I am hereby tendering my resignation as Parks Superintendent at Mike Miller County Park in the wake of my election to the office of Commonwealth's Attorney for the 42nd Judicial Circuit. While I will not take office officially until January 7, 2018, I wanted to go ahead and formally resign from the position.

As for the effective date of my resignation, I am proposing to make the resignation effective on December 31, 2018. There are several matters that will need my attention between now and then, and this should afford plenty of time to wrap things up from my end.

It has been a pleasure working with you for the past two and one half years. While I have to resign because of the new position, I do not intend to abandon the park from a volunteer standpoint. I will be available to assist in any transition to new leadership, and will do what I can to help make our park system better.

Thanks again for the opportunity to serve our county.

Sincerely,

Dennis R. Foust
