RE: CWSRF Request to Use Residual
Funds, A18-014

Dear Judge Neal:

Thank you for your recent request dated April 8, 2019, to use residual CWSRF loan funds from loan A18-014 to better serve the citizens of the Marshall County. According to your correspondence, remaining loan funds of approximately \$265,000 will be used to extend sanitary sewer lines for the elimination of private treatment facilities and replace the PLC at the Wastewater Treatment Plant that communicates with the lift stations in the collection system. This request is approved. We ask that the final draw request and closeout documents be submitted by February 29, 2020, and that principal and interest payments begin June, 2020.

If you have any questions, please don't hesitate to me at (502)892-3148 or Julie Bickers at (502) 892-3455 or Julie.bickers@ky.gov.

Respectfully,
