Dennis Keene
Commissioner

January 28, 2020

Dear County Treasurer:

Please find enclosed, copies of materials recently mailed to county constitutional officers notifying them of maximum salary guidelines for the 2020 calendar year in accordance with KRS Chapter 64 and section 246 of the Kentucky Constitution. These salary guidelines reflect adjustments to statutory maximums in order to maintain an equivalent purchasing power.

The 2020 salary maximum for county commissioners, magistrates and coroners is \$77,624.97. The actual salary is determined by the action of the fiscal court but may not exceed the aforementioned maximum. Our office has notified each county commissioner, magistrate and coroner via regular mail as to these salary guidelines.

Salaries for the offices of County Judge-Executive, County Clerk, County Sheriff and County Jailer, as required by KRS 64.5275 (1998), are presented on the schedules enclosed. The increase from last year's maximum salaries is 2.3% percent for all official positions covered by this letter. We have emailed the aforementioned officials their respective salary schedules and salary guidelines. They will not receive notification via regular mail.

In addition, you will find salary information relative to your county attorney.

If you have questions about these materials, please feel free to contact me or any staff member in our counties branch at 502-892-3487.

Sincerely,

A handwritten signature in cursive script that reads "Robert O. Brown".

Dear Magistrates, County Commissioners, Justices of the Peace and County Coroners:

In accordance with the provisions of KRS 64.527, the Department for Local Government calculates, by the second Friday in February of each year, the maximum allowable annual compensation for **County Magistrates, County Commissioners, Justices of the Peace and County Coroners**.

The calculation below is the result of the conventional application of the Consumer Price Index as adopted by the courts in Matthews v. Allen, KY, 360 S.W.2d 135 (1962), and results in a maximum allowable annual compensation of \$77,624.97 for county constitutional officers in calendar 2020.

Under the prescribed formula, salary maximums set in the 1949 Amendment of Section 246 of Kentucky's Constitution, to be paid to constitutional officers, are adjusted to reflect the current purchasing power of the dollar. The adjustments are based upon the Consumer Price Index maintained and reported by the U.S. Department of Labor, Bureau of Labor Statistics. A news release issued by the Bureau establishes the Consumer Price Index, as of December 2019, at 769.781. The percentage increase over the previous twelve-month period is 2.3%. The Consumer Price Index for 1949 was 71.4.

CPI in 1949 = 71.4 CPI in 2019 = 769.781

$$\frac{769.781}{71.4} = \frac{X}{\$7,200}$$
$$71.4 X = (769.781)(\$7,200)$$
$$X = \$77,624.97$$

The compensation amount generated by this computation reflects a maximum salary rather than a mandated salary.

If you have questions concerning these maximum salary levels, Robert Brown in the Office of Financial Management and Administration will welcome your call at 502-892-3433.

Sincerely,

Dennis Keene
Commissioner

Dear County Jailer:

In accordance with the provisions of KRS 64.5275, the Department for Local Government has calculated the annual compensation which shall be paid to **Jailers** for the 2020 calendar year.

For **Jailers who do not operate a full service jail**, salary is established by the fiscal court but may not exceed the maximum allowable salary of \$77,624.97 for calendar year 2020. This maximum salary results from the conventional application of the consumer price index, as adopted by the courts in *Matthews v. Allen*, KY, 360 S.W.2d 135 (1962), to the constitutional maximum of \$7,200. The resulting calculation represents an adjustment to the maximum salary to reflect the current purchasing power of the dollar. The minimum salary for 2020 is \$20,000 or the 2019 calendar year salary, whichever is greater, as provided for by KRS 441.245 (revised 1998). The increase in the consumer price index during calendar year 2020 was 2.3%.

For **Jailers who operate a full service jail**, compensation is determined by a salary schedule containing nine levels corresponding to nine population groups and four salary steps for each population group. After adjustment for changes in the consumer price index (CPI), the salary schedule provides for a maximum of \$129,374.96 and a minimum of \$71,156.23 to be paid to Jailers during calendar year 2020.

The actual salary for any individual Jailer of a full-service jail depends on (1) the population of the county in which he/she serves and (2) the number of years of experience, as certified to DLG. This information has been compiled on the attached schedule entitled: "*Maximum Salary Authorizations - 2020: Jailers Operating Full Service Jails*" to display the 2020 authorized salary for the office of jailer in each of Kentucky's counties in which there is a full service jail.

If you have questions regarding any aspect of the salary determination process, including the certification of "years of service", Robert Brown in the Office of Financial Management will welcome your call at 502-892-3433.

Sincerely,

Dear County Attorney:

In accordance with the provisions of KRS 15.765, the Department for Local Government calculates, by the second Friday in February of each year, the maximum allowable annual compensation for the office of County Attorney.

The county attorney, although a county constitutional officer under section 99 of the Kentucky Constitution and KRS 69.210, has been given a statewide function in his prosecutorial role. KRS 15.765(3), in conjunction with section 246 of the Kentucky Constitution, provides for the indexing of the \$12,000 maximum base compensation for this office. This adjusted compensation level shall be the maximum allowable compensation for the county attorney regardless of what he/she receives from the fiscal court as county attorney, the county's civil advisor, and from the state as a state prosecutor. This point has been established as early as 1928 in Coleman v. Hurst, 226 Ky. 501, 11 S.W.2d 133. The court ruled that the constitutional limit of compensation for constitutional officers applies whether such services are rendered in one position or more than one position.

The calculation below presents the maximum allowable salary for this office in 2020, and represents an adjustment of the constitutionally mandated \$12,000 maximum compensation for this office. This adjustment is conducted according to the conventional application of the Consumer Price Index as adopted by the courts in Matthews v. Allen, KY, 360 S.W.2d 135 (1962), and results in a maximum allowable annual compensation of \$129,374.96 for the office of County Attorney for 2020. The percentage increase over the previous twelve-month period is 2.3%.

$$\begin{array}{rcl} \frac{769.781}{71.4} & = & \frac{X}{\$12,000} \\ \\ 71.4X & = & (769.781) (\$12,000) \\ \\ X & = & \$129,374.96 \end{array}$$

KRS 15.765 provides, in effect, for the indexing of the \$7,200 compensation level for the prosecutorial duties of the county attorney. Thus, the maximum allowable compensation that the county attorney may receive from the Commonwealth for performing prosecutorial duties in calendar 2020 is \$77,624.97 as calculated below. The percentage increase over the previous twelve-month period is 2.3%.

$$\frac{769.781}{71.4} = \frac{x}{\$7,200} \qquad 71.4 X = (769.781) (\$7,200)$$

$$X = \$77,624.97$$
