Benton, KY 42025

Dear Judge/Executive Neal and Members of the Fiscal Court:

We wanted to give you notice that we will be vacating the building at 1713 Golf Course Road in Benton. This is the former Marshall County Senior Citizens Building. We will vacate the building by July 31, 2022.

We wanted to express our great appreciation for the use of this building. The fact that it was available for immediate occupancy the morning after the tornado was a Godsend. This saved us from having to find temporary storage space for our records and allowed us to continue to provide services without missing a beat.

Thank you so much for your help. If West Kentucky Allied Services can be of any assistance to any of you please contact us.

Sincerely,

Janna York
Executive Director
