

PUBLIC MEETING NOTICE
MARSHALL COUNTY SOIL AND WATER CONSERVATION DISTRICT

The Marshall County Soil and Water Conservation District will conduct a public meeting at 7:00 PM Central Time, September 27, 2016 at the Marshall County Public Library – Calvert City, 23 Park Road, Calvert City, KY 42029.

Representative from the Marshall County Soil and Water Conservation District and United States Department of Agriculture – Natural Resources Conservation Service will lead the public meeting to seek input regarding a Supplemental Watershed Plan and Environmental Assessment to consider alternatives to rehabilitate East Fork Clarks River Floodwater Retarding Structure No. 32.

The objectives of the public scoping meeting include, but are not limited to:

1. Ensure that the general public; private groups; and local, county, and state government agencies are thoroughly familiar with the proposed East Fork Clarks River Floodwater Retarding Structure No. 32 rehabilitation project.
2. Promote an atmosphere of extra-agency cooperation.
3. Provide a forum for the reception and consideration of public input regarding the project.
4. Describe the problems and opportunities identified, the Alternatives considered, and the Alternatives evaluated.
5. Clarify the effects of the diverse alternatives considered.
6. Incorporate written and verbal comments into the decision-making process.

Individuals requiring additional information, or those who need special accommodations to attend the public scoping meeting should contact Dianna Angle, District Conservationist, USDA-NRCS, 107 West 5th Street, Benton, Kentucky 42025.
