Good Morning Kevin,

Calvert City's AmeriBration Celebration is just around the corner and we are excited to publish our annual AmeriBration 10 page special section inside of the regular paper that is all about the annual 4th of July celebration.

We can hardly wait for this HUGE event.

It will print June 29.

If you don't mind, let me know if Fiscal Court would like to be in this issue again this year so I can reserve space or email with any questions.

You normally place a full page ad. The previous ad is attached.

Thank you,

Mary Larson
