ADDITIONAL TERMS AND CONDITIONS

- When trade-in equipment is not to be delivered to the SELLER until delivery of the equipment purchased by this order, the trade-in equipment may be reappraised at that time and such reappraisal value shall determine the allowance made for such trade-in equipment. When the reappraisal value is less than the original trade-in allowance shown on this form the PURCHASER may terminate this order, however this right of termination must be exercised prior to delivery of the equipment by SELLER and surrender of trade-in equipment to SELLER.
- 2 In the event DEALER'S price is changed prior to delivery, the purchase price shall be adjusted accordingly. If such price change results in an increase, purchaser has the option of canceling this order in writing immediately on being notified thereof.

The SELLER assumes no liability for non-shipment, delay in shipment or other circumstances beyond his control.

- 3 Service charge of 1 1/2% per month which amounts to 18% per year on all balances past due on PURCHASERS open account.
- 4 This equipment is sold "AS IS, WHERE IS". PURCHASERS are warned that the equipment should be examined before use to determine whether or not the equipment is in compliance with the Federal Occupational Safety and Health Act of 1970 and its sale for its intended use. Southeastern Equipment Company shall not be responsible for the PURCHASER'S failure to examine the purchased equipment and to perform any repairs before placing the equipment in service.
