Dear Faithful Friends

We are so excited to tell you about our latest happenings at Marcella's Kitchen. After waiting seven years for the right open door, in September, 2017, we purchased property located at 501 George McClain Drive, Benton, Kentucky. Our architect has finished the new building renovation design, we have completed demolition and have now secured a contractor for the renovation of the new facility.

We would like to personally invite you to our Open House on February 18, 2018 1:00-3:00 p.m. to tour our new facility. There will be refreshments, designs for you to see and much information about our future plans. We are looking forward to giving you the grand tour!

If you have any questions, please feel free to contact one of our board members.
