Judge Neal and Commissioners,

As June is upon us, I am sure you are aware North Marshall Water District will have two Commissioner terms expire June 30, 2018. As Chairman, I and Commissioners Bill Driskill and Kenneth Shadowen, would like to highly recommend to the Fiscal Court continuation of Jamie Leonard and Larry Joe Draffen as Commissioners on our Board. Both Commissioners have served the NMWD well as qualified, informed and experienced sitting Board members. Fiscal Court is very aware of the District's past financial and personnel issues, which the present Commissioners strived to overcome and raise the standard of procedures that NMWD maintains today for its customers and employees.

Mr. Leonard and Mr. Draffen have each been an integral part of this Board and the unique quality of decision making for the betterment of the District. I personally can attest that each Commissioner is dedicated to attending to serve in the most professional manner possible for the District. Please retain and renew Mr. Leonard and Mr. Draffen for the continuation of North Marshall Water District's growth and success.

Should there be any questions please feel free to contact me. Your consideration of the above is greatly appreciated.

Sincerely,

Kendra Capps

Chairman

North Marshall Water District
