Judge Neal, Deputy Judge Warning and Commissioners:

On behalf of the Marshall County Arts Commission, please allow me to express the appreciation of our board of directors for your recognition of the positive value provided to our community by the life enrichment programs and activities administered by the Arts Commission. We pledge to you that we will be responsible stewards of these funds and that they will be used as intended.

We ask for your continuing financial support as we work to seek the additional funding that will be required to help provide the professional staff that will allow us to expand enrichment activities for all citizens in our community. As always, you are invited to stop by the Center during our hours of operation and we welcome your questions and suggestions at any time.

With kindest personal regards,

George S. Milam
Marshall County Arts Commission
