Gentlemen:

This letter is to acknowledge the receipt of the proposed Host Agreement between Marshall County, Kentucky and Waste Path Sanitary Landfill, LLC.

The proposed agreement has been distributed to our Attorney and Engineer for their review and comments. We will be responding to you in the near future as soon as we receive all their comments. Our major owner also has plans to be traveling internationally in early October and will not be available to finish our review until his return to the States.

We, like you, understand the importance of a Host Agreement that meets the needs of both parties and one that is not a major impact on the health of either party.

Sincerely,

A handwritten signature in black ink, appearing to read "Dan Sills", written over a circular stamp or mark.
