Marshall County Treasurer's Office

Marshall County Fiscal Court

Emily Martin, Treasurer

RE: Voluntary Resignation

Emily,

Please accept this letter as my written notice of resignation from my position as Finance Officer with the Marshall County Fiscal Court. I have accepted a position with the North Marshall Water District. It is with careful consideration that I have chosen this change of employment and feel that it is in my best interest long-term to accept this position.

I have enjoyed working for the county over the past eight plus years, and I appreciate all the opportunities I have received. I will miss working with everyone here, but look forward to all the opportunities awaiting me in my new career path.

I will be available to work through Friday, June 7, 2019.

Thank you,

Karen Freeman
