

Bid for Judiciary Building

We would first like to thank you for allowing us to bid the facility maintenance at the Marshall County Judiciary Building. Our bid will include all the Scope of Work outlined in the bid packet. On our walk through, we discussed several things. We also talked about Magic Steam supplying all cleaning supplies along with toiletries, paper towels, hand soap, trash bags, and sanitizer. Our bid will include that being provided by our company.

Our bid will also include: All carpet being professionally steamed cleaned twice per year (spot cleaned when needed), all tile and grout being professionally cleaned twice per year as well as stripped and sealed, the building and all surrounding sidewalks being pressured washed once per year, and flooring in the basement to be stripped and waxed once per year. We will provide the chemical, wax, and equipment to do all the aforementioned.

Magic Steam wants to earn your business! Any questions or concerns please reach out to

Bradie: (270) 443-4700

Tj: (270) 564-5580

WE are very concentrated on Customer Service and we have the knowledge and know how to take care of your facility and keep it looking like it should always!
