Questions you may have about our services

Q: What does it cost?

A: *All of the services of the Adult Learning Center are **FREE** of charge. However, there will be a testing fee when you schedule for the official GED Test.*

Q: How long will it take to get my GED?

A: *It varies from person to person depending upon how far you went in school, how long you have been out of school, and how much you have kept up your skills since leaving school.*

Q: I graduated from high school, but I need basic skills review. Can I come to the Marshall County Adult Education for help?

A: *Yes, you may. More and more of our students are high school graduates who need basic skills review to prepare for college entry or apply for new jobs.*

Q: I only need help in specific types of math problems that I run into at work. Can you help me only in those areas?

A: *Yes, your goals determine the instruction you will receive.*
