RE: 2021 Rubber-Modified Asphalt Grant for thin overlay, Marshall County Fiscal Court

Dear Judge Neal

Congratulations on submitting a successful application for a Rubber-Modified Asphalt Grant for the thin overlay! The Energy and Environment Cabinet is looking forward to working with your county on this project. Please take a moment to review the required conditions for grant funding:

- The recipient must sign a written agreement stating the terms and conditions of the grant and indicating the recipient agrees to complete the rubber-modified asphalt grant project for the thin overlay as defined in the agreement. Please review all requirements in the attached agreement.
- The grant funding is to be used for costs associated with the application of rubber-modified asphalt for thin overlay as specified in your grant application.

If you agree to meet these required conditions, **please sign the attached grant agreement and return by July 2, 2021 either by email to byron.bland@ky.gov, or to the address below.**

If you plan a local event to publicly announce obtaining the grant, or later to celebrate the completion of the project, please let us know.

If you have questions or are unable to meet the required conditions, contact B. J. Bland at 502-782-6556. Thank you.

Sincerely,

Byron "BJ" Bland
Recycling & Local Assistance Branch

Attachment: Rubber-Modified Asphalt Grant Agreement

RUBBER-MODIFIED ASPHALT GRANT AGREEMENT

We, the Grantee, hereby request 2021 Rubber Modified Asphalt Grant (RMAG) funding that is in accordance with KRS 224.50-878. These funds will be used to pay for costs directly associated with the placement of chip seal or thin overlay utilizing rubber-modified asphalt as specified in our grant application. We, the Grantee, understand and agree to the following:

1. Be solely responsible for completing the RMAG project and assume all liabilities associated with the completion of the grant.
2. Adhere to all stipulations and conditions as put forth in the grant application.
3. Utilize the county's standard competitive bid process to any contractor for the RMAG.
4. Ensure that scope of project matches that set forth in the submitted application.
5. Ensure that specifications for the application of chip seal or thin overlay follow specifications set forth by the State of Kentucky, Missouri, or Tennessee. **Specifications shall be submitted at least 14 days prior to start of construction and approved by the cabinet.**
6. Be solely responsible for any additional costs that exceed the original project budget.
7. Complete construction project by **December 31, 2021.**
8. Submit a construction progress report within thirty (30) days of the end of the grant period.
9. Submit the progress report on January 31, 2024 and close out report on January 31, 2026.
10. Agree to reimburse the cabinet all unspent grant funding within thirty (30) days of the end of the grant period.
11. If grant funds are not spent appropriately, the cabinet has the authority to seek reimbursement of all grant funds.
12. Failure to comply with the conditions of the agreement may result in forfeiture of all associated grant funding.
13. This grant agreement is in full force and effect until a final closure letter is received from the Cabinet.
