*Dear Marshall County Public Library - Boston, We are now to KY having recently moved from the St. Louis area. Our family just wanted to take the time to thank you all for always being so helpful (mostly on the phone - because, COVID!) and easy to work with. We made the decision to homeschool our boys 6 yrs + 4 yrs and the book bundles and curbside pick-up have made it so easy to supplement their learning. We were also really excited to see that a couple of the book purchase requests we made were fulfilled! Thank you for all you do! Love,*
