(6) **SUBLEASE OR ASSIGNMENT:**

The Tenant **may not** sublease any part of the rented premises or assign this Lease, without the written consent of the Landlord, and in the event any assignment or sublease is made, the Tenant shall remain responsible under the terms and conditions of this Lease.

(9) **LEGAL USE ONLY:**

The Tenant shall use the leased premises for a legal purpose and any violation of this covenant shall be considered a material violation of the terms and conditions of this Lease.

(10) **SEVERABILITY:**

In the event any one or more of the provisions contained in this agreement shall be held to be invalid, illegal, unconscionable or unenforceable in any respect, the validity, legality or enforceability

of the remaining provisions of the agreement shall not be affected or impaired in any way thereby. Further, it is agreed between the parties that any provision deemed as such will be applied to the fullest extent so as to avoid the illegal or unconscionable result.
