Benton, KY 42025

**RE: Rivercrest Engineering - Professional Services Agreement Renewal
Marshall County Fiscal Court
Marshall County, Kentucky**

Judge Neal:

When we established our Rivercrest Engineering Inc. – Marshall County Fiscal Court Professional Services Agreement in March of 2016, the initial term was established to be a renewable two (2) year period. The agreement language in paragraph 1.01.A stipulates, *“The term of this Agreement is two years. Thereafter, the Agreement can be renewed annually on its anniversary indefinitely, with unit price fee adjustments negotiated during the renewal process.”*

Our hourly fee structure was adjusted with the Court’s approval of our last renewal letter in May 2021. For this next proposed one-year renewal period, Rivercrest’s hourly fee structure is acceptable without change. We know of no other Agreement modifications or language updates that are warranted at this time.

If the Fiscal Court is agreeable to extending our Professional Services Agreement, we suggest an extension to May 19, 2023. Our signatures below will suffice for our renewal purposes. If the Fiscal Court needs additional documentation or prefers to draft a letter authorizing this Agreement renewal, that will be fine with us as well.

Sincerely,
RIVERCREST ENGINEERING, INC.

APPROVED Renewal to May 19, 2023
