We are pleased to quote the following items to you:

Furnish all Labor, Material, and Equipment to compete the following items:

Mill existing patches in road to a depth of 3" and a minimum width of 7'. Connect any patches within 20' of each other. Place 3" asphalt in milled areas with asphalt paver. Additional width will allow rollers to get better compaction. This is the recommended method for the best final product.

Total Lump Sum for Bid - \$73,200.00

Mill existing patches to a depth of 3" when patches are wide enough for milling machine. Excavate remaining patches to a depth of 3" with excavator. Place 3" asphalt with Paver in milled areas with width of 7' or greater, and by other means in areas less than 7'.

Total Lump Sum for Bid - \$73,500.00

Payment to be made in full upon completion of work. Interest at the rate of 1 1/2 percent per month will be charged on unpaid balance. Interest is calculated on the basis of 18% per annum simple interest.

All material is guaranteed to be as specified. All work to be completed in a workmanlike manner according to standard practices. Any alteration or deviation from above specifications involving extra cost will be executed only upon written orders, and will become an extra charge over and above the estimate. JSCC is not responsible or liable for any loss or additional cost associated with Force Majeure (ie. Acts of God, Riots, War, Floods, etc...) All agreements contingent upon strikes, accidents or delays beyond our control. Owner to carry fire, tornado and other necessary insurance. Our workers are fully covered by Workmen's Compensation Insurance.
