<b>Project Address:</b> 202 W 5th St Benton , Kentucky 42025	<b>Customer Email:</b> brad.warning@marshallcountky.gov

**Project Name:** offices unit replacement

HMC Service Company will supply the necessary labor and materials to complete the following according to state, local, and federal code:

- Shut power down to indoor and outdoor unit.
- Disconnect indoor and outdoor unit.
- Remove old outdoor unit from roof with crane.
- Set new outdoor unit on roof with crane.
- Flush existing line set with r11 flush.
- Set new indoor unit and build duct work transitions.
- Make up electrical, drain and line set connections.
- Leak check and pull vacuum.
- Charge system and test operation.

Labor: \$8640.00

Materials: \$12387.00

**Proposed Price:** \$\$21,027

**Clarifications and Exclusions:**

Does not include overtime or holiday hours.

New indoor unit will be bigger than existing and will take more room in closet that unit is in.
