Attached are the Recommendations and Map for what I will be presenting at the court meeting. I haven't received the actual allocation numbers but I've been told that they will be close to last years, so I used last years numbers to put this together. I will adjust the allocation and flex fund numbers if I get them before the meeting.

The KY 795 paving is left over from last year.

The KY 348 paving and the bridge deck overlays are from other pots of money.

If anyone has any questions let me know.
