1. LIMITED WARRANTY, Buyer will receive a 90-day limited warranty on workmanship and materials. Any repair issues must be reported to MaxSteel's corporate office within 90 days of installation date. Do not report repair issues to your dealer. Repair issues reported only to your dealer will not be considered reported in a timely manner under this Agreement. Regardless of whether any repair is necessary after installation. Buyer shall now all remaining balances due upon installation. Withholding payment will not ensure repairs are made and

constitute the Agreement between MaxSteel and you with respect to the installation of this steel structure. Please read all terms and conditions carefully.
